

The Natural Resources Commission, as the governing body for the Michigan Department of Natural Resources, provides a strategic framework for the DNR to effectively manage your resources. The NRC holds monthly, public meetings throughout Michigan, working closely with its constituencies in establishing and improving natural resources management policy.

Regulations that apply to fishing for trout and salmon on inland waters are included in a separate publication, *2005 Michigan Inland Trout & Salmon Guide*

Public access to fishing is supported by the Michigan Natural Resources Trust Fund

The Michigan Department of Natural Resources is committed to the conservation, protection, management, use and enjoyment of the State's natural resources for current and future generations.
